The image features the Finnish flag, which consists of a white field with a blue Nordic cross. The flag is depicted with a realistic, wavy texture, suggesting it is a physical fabric. In the center of the blue cross, the number "40 000" is printed in a bold, white, sans-serif font. The number is positioned horizontally, with "40" on the left and "000" on the right, separated by a space. The background of the slide is white, with a thin green vertical bar on the right edge.
